Suggested Accommodation in the Cottingham Area

Cottingham is a small village to the North West of Hull. There is a limited amount of accommodation in Cottingham itself, but a wide variety within easy reach. Beverley is a small market town with a historic market square, some interesting old buildings and a good range of shops, hotels and restaurants. It is some 6 miles (10km) from Cottingham. Hull is the nearest city, and the city centre is also around 6 miles from Cottingham. There is a rail link between Hull, Cottingham and Beverley which runs frequently on weekdays and Saturdays, but less often on Sundays.

Here are some possibilities, I have included a range of prices and locations, but although they are vetted by the local tourist board, I have not tried any of them so please don't take this as a personal recommendation. Also, any prices given are, of course, subject to change so please check before booking.
