

Directions:

Coming along the A164 northwards you'll see De La Pole Hospital on your right and Green Lane on the left. Just after that turn right at the turnoff for Castle Hill Hospital which is Castle Road. Carry on along Southwood Road (it just changes name, you don't need to turn off). You'll come to a mini roundabout - turn left onto Parkway. After about 100 yards there's another mini roundabout - turn right onto South Street. Drive down here to the traffic lights. At the traffic lights turn left into King Street.

After a row of buildings you'll see Finkle Street is on the left just before the big car park entrance and council buildings. You'll see a post office on the left as you enter Finkle Street. Opposite is a run of shops and just after these, also on the right, is the Darby and Joan Hall. If you get stuck, ring my mobile and I'll try and find a 'local' to help – 07989 660 378
